

ACADEMIC TRANSCRIPT

Personal Information

Student:	Toghrul KARIMOV	Date of Birth:	17 September 1998
University Reference:	817839	HESA Reference:	1511560035915
Qualification Sought:	Master of Computer Science	FHEQ Level:	Masters
Start Date:	11 October 2015		

Programme Information

Teaching Institution:	University of Oxford	Awarding Institution:	University of Oxford
College:	Keble College	Mode of Attendance:	Full-time
Programme of Study:	Master of Computer Science	Language of Instruction:	English

Award Information

Qualification Awarded: Master of Computer Science in Computer Science

Classification: Parts A & B: First Class
Part C: First Class

Date of Award: 2 July 2019

Assessment Information

Academic Year	Assessment Name	Result Mark/Grade	Attempt Number
Qualifying examinations			
2015/16	Digital Systems, Linear Algebra and Introduction to Formal Proof	95	1
2015/16	Discrete Mathematics, Probability and Continuous Mathematics	77	1
2015/16	Functional Programming, and Design and Analysis of Algorithms	58	1
2015/16	Imperative Programming	68	1
2015/16	Practical Work (Year 1)	Distinction	1
Final Degree examinations			
2016/17	Algorithms and Data Structures	66	1
2016/17	Compilers	75	1
2016/17	Computer Networks	86	1
2016/17	Concurrent Programming	78	1
2016/17	Intelligent Systems	74	1
2016/17	Logic and Proof	64	1
2016/17	Models of Computation	80	1
2016/17	Object Oriented Programming (Combined)	73	1
2016/17	Practical Work (Year 2)	Distinction	1

Personal Information

Student:	Toghrul KARIMOV	Date of Birth:	17 September 1998
University Reference:	817839	HESA Reference:	1511560035915
Qualification Sought:	Master of Computer Science	FHEQ Level:	Masters
Start Date:	11 October 2015		

Assessment Information

Academic Year	Assessment Name	Result Mark/Grade	Attempt Number
2017/18	Computational Complexity	72	1
2017/18	Computer Aided Formal Verification	66	1
2017/18	Computer Security	64	1
2017/18	Knowledge Representation and Reasoning	78	1
2017/18	Lambda Calculus and Types	75	1
2017/18	Machine Learning	64	1
2017/18	Practical Work (Year 3)	Distinction	1
2017/18	Project on a topic in Computer Science	69	1
2018/19	Automata, Logic and Games	77	1
2018/19	Categories, Proofs and Processes	83	1
2018/19	Computational Game Theory	72	1
2018/19	Computational Learning Theory	No result	1
2018/19	Computer Science Project Report	70	1
2018/19	Probability and Computing	65	1

The assessments listed under *Qualifying examinations* allow progression to the *Final Degree examinations* but do not count towards the candidate's overall degree classification.

Students on the four year Master of Computer Science degree receive two classifications, one covering the second and third years of their degree, and one covering the fourth year of their degree. The relative weighting of papers in the second and third year is as follows: core papers 10 each; options papers, 15 each; Project, 45. The relative weighting of papers in the fourth year is as follows: options papers, 6 each; Project, 18.
